

Daniel Perdomo

Why does the candidate wish to be a NAMC Board Member?

I have always been an advocate of NAMC, this is the only organization that is laser focused with bringing minority contractors to the table with Prime and Owners. I want to help NAMC with that focus and organizing the program and management as well.

Why would the candidate be an asset to NAMC by serving on the Board?

As an experienced business professional with a strong focus on access and advocacy for the Spanish and African American Contractors, I am always thinking outside of the box. Excellent communication, strong ethics, and exceptional professionalism

What does the candidate want to accomplish during his/her two-year term?

I want to facilitate and help advocate for a better connection between both the black and brown communities Use my influence to organize and manage programs Create a clear cohesive message or description in every aspect of NAMC's platform
